## OUR PLEDGE TO ENVIRONMENTAL RESPONSIBILITY

At Indara, we are dedicated to comprehending, effectively managing, and mitigating the ecological impact of our business operations, products, and supply chain. Our commitment extends to fostering a sustainable future for our planet and its inhabitants.

## TO UPHOLD THIS PLEDGE, WE VOW TO

### COMPREHENSIVELY ADDRESS ENVIRONMENTAL IMPACT

We will thoroughly identify, assess, and actively manage every facet of our environmental influence, ensuring a holistic approach to sustainability.

### CONTINUOUS IMPROVEMENT AND IMPACT MINIMISATION

Our continuous efforts will revolve around enhancing our environmental performance and diminishing our ecological footprint. By optimising resource and energy management, preventing pollution, and safeguarding biodiversity (where applicable), we will actively reduce our impact.

### CARBON FOOTPRINT AND ENERGY STEWARDSHIP

Employing cutting-edge technology, we will adeptly manage our carbon footprint and energy consumption. By adapting and building resilience against the long-term ramifications of climate change, we aim to secure a sustainable future.

## STAKEHOLDER ENGAGEMENT FOR SUCCESS

Recognising the pivotal role of stakeholder engagement, we are devoted to accomplishing our commitment through active collaboration.

## WE PLEDGE TO:

### DEFINED ROLES AND OBJECTIVES

We will establish clear roles and responsibilities, setting precise objectives and targets throughout our organisation. This meticulous approach will enable us to monitor and measure our environmental performance effectively.

### STRINGENT LEGISLATIVE COMPLIANCE

Indara will vigilantly monitor and uphold adherence to all environmental laws and regulations. Our unwavering compliance guarantees our actions are consistently aligned with ethical and legal standards.

### FOSTERING A SUSTAINABLE CULTURE

We shall foster a culture where our workforce shares our dedication to driving environmental enhancement. Our employees will be our champions in this journey toward a more sustainable future.

---

## **SUPPLY CHAIN SUSTAINABILITY ADVOCACY**

We are steadfast in promoting and consistently evaluating environmental sustainability practices within our supply chain. By collaborating with our major vendors and contract partners, we aim to elevate their performance and align their practices with our principles.

## **TRANSPARENCY THROUGH REPORTING**

Indara is committed to transparency. We will closely monitor our environmental progress and accomplishments, documenting them in our annual sustainability report.

Indara's Environmental Commitment underscores our unwavering devotion to environmental stewardship. By adhering to these principles, contractors working with us will join in our efforts to create a healthier, more sustainable world.
